1. Buy American—Use of American Iron, Steel, and Manufactured Goods, Section 1605 ARRA

None of the funds appropriated or otherwise made available in this Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. See Section 1605 of the ARRA for further details.

2. Wage Rate Requirements, Section 1606 ARRA

Notwithstanding any other provision of law and in a manner consistent with other provisions in this Act, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the federal government pursuant to this Act, shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with Subchapter IV of Chapter 31 of Title 40, United States Code (USC). With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Number 14 of 1950 (64 State. 1267; 5 USC. App.) and Section 3145 of Title 40, USC.

3. Posting on Web Site, Section 1511 ARRA

All Section 1511 certifications must be posted on the school district, or education school district website, if one exists, and submitted to the Oregon Department of Education (ODE) for state-level web posting.

I, Michael O. Lane, hereby certify that the infrastructure investment described above has received the full review and vetting required by law and that I accept responsibility that such investment is an appropriate use of taxpayer dollars. I further certify that that the district will comply with the assurances above.
